

School-Parent Compact for Achievement

What is a Parent-School Compact?

A Parent-School Pact for Achievement is an agreement that parents, students, and teachers develop together.

It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

Jointly Developed

Our parents, staff, and students throughout the process were invited to collaborate and share ideas regarding student achievement and areas of needs based on data from state, district, and school sources.

Our Compact is revised with input and by discussions with our stakeholder groups.
